## xcNewsPlus

Hits: 4,216

**Description:** xcNewsPlus is a fast and flexible news and event management tool for any web site. It has numerous features, like: HTML Templates; JET/SQL Database support; Unlimited Categories; RSS/XML Support; Article Ratings; Image Uploads; News Scroller/Ticker; User Submitted Articles; Private Articles; Multiple Views; and many other customizable options. It also includes XCENT's user management and membership system which you can use to protect other content on your site and allow only certain logged in users to have access. It can also optionally integrate with other XCENT web server software and e-Commerce applications.
