FtpRight

Hits: 694

Description: Transfer files easily using this intuitive and powerful FTP client for both advanced Web developers and novice users alike. FtpRight is a FTP client for Windows that lets you update a Web site with a single mouse click, resume interrupted downloads or uploads. It features an Explorer-like interface, supports drag-and-drop functions, directory synchronization, transfer queue, smart reconnect, overwrite prompts, passive transfer mode, and much more!
