Link Listing php script

Hits: 2,862

Description: Link Listing Script that creates different "rooms" for different links! making this powerful script its own little web surfing tool for the visitor of the site! It Is a nice little Search Engine! Once a visitor signs up for the website he is placed on a mailing list, and the script automatically sends out an email to each visitor every time a new link is added! You Can Make Money Selling Advertising To Other Webmasters! The Automatic Email Will Guarantee Your advertisers that their link will be seen! The Visitor will have a choice on whether to receive an email for each link OR one email with all new links listed! There is a top ten list for the most popular links! When you add a new wing, you choose a name and also who can get there.
