# BAC News

Hits: 803

**Description:** With BAC News you can offer your members their choice of news feeds, grabbed from across the Internet and presented in a concise fashion on your site. Members can subscribe to the news sources you have on offer, or setup their own sources – making your site their one stop shop for the latest news and information.

BAC News shares an integrated backend - account management, billing, advertising, templates and administration - with over 25 other pluggable software modules. You can add grow your site as your needs expand all using a single integrated suite. No more multiple logins and inconsistencies.
