## Viewfinder Send to a Friend Script

Hits: 6,387

**Description:** This script is a simple drop-in PHP file that will allow you to add a Send to a Friend link to any page of your site (so it can be page specific if you wish).

It will allow someone to send the link to your page, with comments, their name and email address.

### Resource Specifications

**Excellent Script ! Works Really well !**, Nov 16th, 2007

Reviewed By: osakakokujin

Downloaded the Script and uploaded to my server, works right out of the box, no problems whatsoever. Really easy to customize. Great Script ! Thank you
