Description: Pressmania - post your free unlimited ads now

PressMania's overall goal is to provide a geographically localized and language-specific classified ads network on a global scale. We do this by targeting specific areas and displaying the ads that are relevant to that area only. This means that you'll instantly find exactly what you need in a language you understand with our simple to use search-and-go features.

PressMania is not only committed to providing classified ad services on a global scale. We are also committed to improving the world on a global scale. Through the efforts of our valued affiliates and our services, we will donate 5% or more of profits to specific Charity Organizations.

We provide easy access to create a local community marketplace.

Pressmania Does Not Answer Users Emails, Dec 7th, 2006

When does pressmania.com pay its affiliates for the 40 cent leads (which pressmania is still saying it pays as of today, 7 December 2006)? So far I have made over \$100 but have not been paid and Pressmania and its sister site Adlandpro do not answer my emails.
