# Popularity Booster

Hits: 1,385

**Description:** This service is comparable to a web ring, where you can add your site to the same database that other sites in the database link to, which is spidered by the major search engines. Adult and non-adult sites are allowed - each stored in separate database. This is a FREE service.

## Resource Specifications

<b>Date Added:</b>	Apr 30th, 2005
<b>Last Updated:</b>	Apr 30th, 2005
