Photo SlideShow Maker

Hits: 2,844

Description: Turn digital photos into your own SlideShow!

Photo SlideShow Maker helps to make SlideShow easily with accompanied music and various transition effects.

As a result you can get a standalone executable (.exe) file with music, images inside. So you can easily view, copy and share ready-made SlideShow with your friends.

Main Features allows to: use various graphics and music formats; set transition effects, add and edit slide captions and so on.

Resource Specifications
