Hits: 5,587

**Description:** C2Realty has been designed for realtors, both large and small, to allow them to easily list their properties online. C2Realty has a unique "modular" design allowing it to be integrated into existing web sites with as little effort and code modification as possible. C2Realty comes equipped with the following Key Features: User's Manual (PDF) covering the Installation, Administration, Use, and Integration of C2 Realty; Installation Wizard for Easy Setup and Configuration; User Account Manager; Customizable User Privileges; Support for an Unlimited Number of User Accounts; Multiple User Account Types; Support for an Unlimited Number of Images Per Listing; Automatic Image Resizing; Automatic Thumbnail Creation; Listing Viewing Statistics; Email a Sales Agent Feature; Printable Details Page for Each Listing; Send Listing to a Friend Feature; Free Online Demo. C2Realty is a private label product so you can brand it and resell it as your own!
