Simple Menu XML

Hits: 8,350

Description: Simple menu is made in macromedia flash, easy to configure by it`s external configuration file (XML file), it does not require macromedia flash to be used, all you need is the free macromedia flash player which is installed on almost any web browser.

From the menu`s configuration file you can set options like:

- buttons text
- buttons URL to open and target frame
- menu color
- info text for each button
- color for info text
- line color
- welcome text
- buttons text color
- button`s light transparency
- sound effects volume
