I have to write this to warn people from using this software, Jiro's software does not work properly, The company are ignoring my emails, but if you write and say your interested in purchasing it, sure they answer.

Bad deal. Stay far away.

i wish i would have read monkey scripts review before i bought this package - its exactly what i experienced.  
the code keeps generating errors, and after 3 times that it needed to fixed, i gave up. naturally i didnt hear from Jimmy the owner when i requested my money back...

**STAY AWAY FROM THIS STUFF!**
