Adsense Revenue Tracking and Email Reminder

Hits: 1,370

Description: RevCheck (Revenue Check) is a unique PHP script developed to automatically email your Google Adsense earnings, clicks, and impressions to your email address anywhere...anytime! RevCheck also logs your Adsense information to a secure mySQL database so you can view your past earnings securely. View some screenshots and check out our demo to see how powerful RevCheck is. This amazing tool will save you countless hours by automatically sending your Adsense earnings to any email address as often as you'd like. Have your Adsense stats sent to your home, office, even your cell phone! With every purchase of RevCheck, you'll receive several free bonuses that will help you increase your Google Adsense earnings. With RevCheck, finding out how much you're earning every day has never been easier.
