hello voice chat Thank you for registering for an account at HotScripts.com, the Internet's largest development-related directory. The final step for account activation is validating your e-mail address. To do so, please go to the following link in your web browser:

**Briliant**, Nov 11th, 2005

Reviewed By: mordocai

The only word for this is briliant, the design is nice, farely complex, yet easy to use, i tryed it, and it leaves me speachless. This is the only chat that i'd recoment over Darren Gates chat application, truely wonderfull.
