OSI Affiliate Web Affiliate Program Manager

Hits: 10,100

Description: The OSI affiliate solution is an affiliate software program that allows businesses and organizations to setup and manage their own affiliate program. Through the affiliate tracking components, affiliates can sign up, place a banner or link on their site and then track clicks, sales and impressions brought from these affiliates. Our affiliate program software will also allow you to customize the look and feel of the affiliate interface from the user friendly admin control panel. The many features of OSI Affiliate program software also include Customizable HTML emails, a customizable affiliate registration form and a four tier management program. With the affiliate program manager you can setup affiliate programs where affiliates can earn commissions based on clicks, sales or impressions. Webmasters can even private label the software, brand as their own and resell. Our affiliate software also includes duplicate sale protection, reoccurring sale tracking and advanced reporting.

An easy to Use Affilliate Program Manager!, Aug 11th, 2006

Reviewed By: robfernando

The OSI Affiliate Program Manager is truly an easy to use affiliate program manager. I was easily able to install and setup the program with no problems. I use it to sign up affiliates for my online store and it has allowed me to increase my sales by having all these affiliates drive more traffic to my site!

Another IONCube or ZEND ENCODER Disaster, Feb 16th, 2007

Unfortunately, we'll never know how this script operates because the owners decided to encode the script with IONCube encoder or ZEND. Most web hosts do NOT support this software.
