Absolute FAQ Manager .NET 6.0

Hits: 1,677

Description: Absolute FAQ Manager is a feature packed FAQ and Knowledge Base Management software for delivering automated customer support directly from your web site 24 hours a day / 7 days a week. It supports unlimited users, topics and knowledge base articles. Natural language searches and question boxes. Content Syndication through RSS, Inline Help Panel (your users don't have to leave your site to get support) and reports and much more. It has been developed using 100% ASP.NET code and SQL Server stored procedures. Put your customer support on auto-pilot and deliver answers to your customers when they need them!
