## Link annotations

Hits: 2,859

**Description:** The script is an enhancement for your site's related links page. It will add a check box control on a page, clicking which will show/hide the links' title information right after the links themselves.

The visitor won't have to hover the mouse over the links to read the descriptions anymore.

### Resource Specifications

<b>Date Added:</b>	Sep 6th, 2005
<b>Last Updated:</b>	Apr 13th, 2008
