## SoftXML - Target your market audience

Hits: 702

**Description:** SoftXML as it sounds was born when XML was firstly introduced on web. We have been participating in XML development since its creation. It has been amazing to see how quickly the XML standard has been developed, and how quickly a large number of software vendors have adopted the standard. SoftXML strongly believes that XML will be as important to the future of the Web as HTML has been to the foundation of the Web. XML is the future for all data transmission and data manipulation over the Web.

SoftXML provides a variety of useful products for web developers and website owners. Today we propose following unique tool for you: XML News Editor. This tool makes news administration tasks on your web site as easy as 1,2,3...
