i would like to thank developers for providing this free cart :)  
it was very easy to install and use. very easy. took about 15 minutes to install and a day to add products to my store.

my store contains about 50 products and Shop-Script FREE is ideal solution for me.

and the best of all it is free!

thanks ;)

I have nearly 50 products to sell online... and with shop-script free it was very easy for me to bring them to customers. and installation was easy))  
but the best thing that I liked is checkout feature. checkout is performed in one-step. really simple for my customers) thanks
