Powerfull Hosted Shopping Cart Ecommerce Solution - LOWER PRICE

Hits: 996

Description: Our shopping cart solution has been designed to integrate with your current website or stand alone as a complete website solution. We can provide domain name registrations to make your website set up even easier. Power Basket offers extensive support for our shopping cart software with a help desk to manage your support requests. We also have a Live Help software to give you all the support you need. The price for this dynamic shopping cart software is just £9.99/month which comes complete with hosting. We accept payments via PayPal for automatic account creation so you could be trading in minutes!
