## Bluethrust Clan Scripts

Hits: 2,811

**Description:** Bluethrust Clan Scripts have many options that allow you to manage your battle.net clan website. Some of the special features are that when you login there is no need to add your clan tag to the username login box. Making it more convenient for people to login to the website. Another unique feature is that every visitor to your clan site is able to edit the color of the website by clicking a button. Those are only some of the features of the Bluethrust Clan Scripts. Click on the Visit button to see more.
