The Best Banner and Text Advertising Script, Aug 25th, 2007

Reviewed By: www.free-solos-daily.com

I have to say that the Ultimate Ad Management Plus Script is the best banner/text advertising script I have seen. It was simple to upload - although I had messed up one thing..and when I emailed support, my email was answered within a couple of hours! This script looks great and does everything I need - with easy adaption to suit my site..the support I got was AAA+ - the support team went above and beyond to help me. Great service and Great Script! See it in action at www.free-solos-daily.com

I have used this script on my finance related UK site after extensively researching what was available. It is extrememly competitively priced given the functionality, the programme has a very short learning curve, I installed the script on my server and I had an error which was my fault, this was corrected in no time at all and the support is exceptional/second to none, friendly and courteous. I have no hesitation in recommending this script.

Be careful buying from softbizscripts. All pages, even text, are encrypted so you can't make any changes without going back to the owner "Savvy". He is elusive and after having bought the script (via PayPal) and accepting payment for script changes (again via Paypal) he suddenly demanded payment only via Moneybooker(MB) - which can't be done with a US CC. When I sent him the email from MB explaining that payment could not be done he just kept repeating the request. I finally gave up ...
