WS-MP3

Hits: 5,226

Description: UPDATE : This app is now available for PHP server.

WS-MP3 (flash MP3 reader) is especially intended to stream your MP3 in your Web site.

WS-MP3 supports unlimited MP3. - Extract the files in a directory of your Web site

- Open the asp file (MP3_player_A.asp OR MP3_player_B.asp) with a text editor. Files can be renamed.
- Edit the MP3 player settings : default song, default directory etc.
- Put MP3 files (no limit :-) in your directory
- Publish & enjoy!
