Sell downloads online

Hits: 2,315

Description: We help you sell instant downloads online using PayPal. If you are selling a product deliverable over internet, like ebooks, photos, mp3, software, fonts etc. or even calling card & registration codes, we provide you the ability to provide instant, automatic and secure download of your product to your customer. You can sell your products individually, using PayPal shopping cart, 3rd party shopping carts or at eBay. Our service is cost effective and easy to use.

Features >>

1. Store and manage your product securely on our server.
2. Sell the product from your website and on eBay.
3. Your customers get instant download of the product.
4. Download links are secure and expire after download.
5. You get paid directly by your customer in your paypal account.
6. No programming needed to setup or use!
7. No Bandwidth Limit, No Transaction Limit, No per transaction fee. Other features like renewing & sending out free links, showing your logo on PayPal payment page.
