caution when you buy something from here!, Dec 7th, 2005

Reviewed By: pixeltrader

yesterday we buy a script from this site (remind script) we pay with paypal all ok, then we become a mail with a downloadlink for this script, we download and the file was corrupt, i send a mail to this guy, and he send me now a another script (Auktion Script like Ebay) but this i have not buy, now the guy told us, that we buy the auctionscrip, and that we buy now the remind script new, this is not correct i said caution with this guy when you buy something from him.
