NeoDownloader

Hits: 885

Description: NeoDownloader opens a door to the joyful world of wonders available for download from the Web. With a Web browser, you need to search and download images, video clips and other content individually, but NeoDownloader allows you to download whole galleries with a few mouse clicks. The program includes a built-in image viewer and a media player. It also supports password-protected sites and advanced content filtering.

Resource Specifications

Version:	2.02
