## Free Blog Hosting with unlimited features

Hits: 1,773

**Description:** JournalHub.com is a free blog hosting site. It is offered as a service to internet users by E-Insites.com, a web hosting company providing a platform for those who wish to start and maintain their own blog.

The object is to give those who desire to have a content rich site a place to display it and for those searching for content that interests them a source to find it. There is unlimited space and traffic available for each blog and 60 templates to help in the creation of the site.

It's easy to start simply go to the site and use the register link and launch your own blog today!
