Users Online

Hits: 1,384

Description: Check the number of users on your web site at any given time. This script also shows where the users came from and what their last page they loaded on your server is (so you can see what they are upto!). Easy to install with full log file.

Resource Specifications

Version:	.9
Platform(s):	linux, windows
Date Added:	Dec 13th, 2005
Last Updated:	Dec 13th, 2005
Author:	SpyderScripts

Average Visitor Rating:  **0.00** (out of 5)

Number of Ratings: 0 Votes

Average Member Rating:  **0.00** (out of 5)

Number of Reviews: 0 Reviews
