NFL SuperBowl Squares

Hits: 8,921

Description: Are you ready for championship football? With this free scripts, you can start running an NFL Super Bowl Squares for your office or group of friend in just a few minutes, provided that you have some good knowledge and access to PHP and MySQL. It's the paperless way to have fun with the traditional superbowl squares.

Features: user can select as many squares as wanted; email will send out to confirm; admin will confirm when payment is received. Randomly generate numbers when all squares are taken. Email to everyone when numbers are assigned. Easy admin setting for each square's bet, percentage payout per quarter....

Enjoy and good luck.
