## plx QuickPay Extended

Hits: 1,499

**Description:** Own a QuickPay Affiliate Site and make easy money!

As the owner of a "QuickPay" site, you will sell memberships to the site for \$20 or whatever price you choose. Currently membership gives access to several ebooks. We would recommend adding other benefits in the future. The site includes an affiliate program that will pay members \$15 INSTANTLY to their PayPal account for new referrals. As the site owner, you will receive \$5 PAID INSTANTLY for every new referral. Your members are very motivated to recruit others because they receive \$15 per referral PAID INSTANTLY. It is very straight-forward but a great money-maker. Someone with just a little time to market this type of site will do very well! Please note that you can change the above membership prices to whatever you would like. Accepted payments implemented in the script are paypal, moneybooker, egold, intgold, clickbank. In the admin area you will find great feature that give you total control of the site.
