# PHP Magic 8 Ball Lite

Hits: 6,025

**Description:** PHP Magic 8 Ball is an 8 Ball with many features in it the user can specify if they want an Animated or Non-Animated Reply, also it has user stats system in it, IP blocking, message board, It saves the questions and reply given. PHP Magic 8 Ball is fully configurable and all from just admin page so if there is something that you don't like or don't want to use just switch it off. You need to take a look at the main site to see all it really can do! you have never seen one like this before!
