eLMS Pro

Hits: 6,228

Description: If you wish to effectively expand your college, institute, university by implementing e-learning or launch complex of remote education business, eLMS Pro is a way to go. The learning management system is designed to help educators deploy quality online courses. The system is simple to operate, navigate and learn. Open source and fully customizable script allows to re-brand, adjust and set up web-site options.

The software combines a wide range of features:

- * Multi-lingual interface
- * Rich Media Content supported – including SCORM v1.3
- * 9 payment gateways and 5 currency types
- * Catalogue of courses
- * Certificate manager
- * Payment and course statistics
- * IM
- * RSS feeders
- * Web based Events calendar
- * Information pages – add new site content pages

These and many other features will make your website an ultimate place for distance learning. Installation is free; free live help and technical assistance are guaranteed. Free trials and online demos are available for evaluation.
