# Mom Knows Best

Hits: 597

**Description:** Mom Knows Best is an easy way to restrict and monitor usage of your computer. Our logging features, keyword triggers and our manual white/black lists make Mom Knows Best a great solution for home or small business use. See whats being typed into any program, when its typed and by the user that typed it. Use keyword triggers to restrict a broad range of web sites quickly. Or restrict by domain and file rules.
