# Pic-Matic

Hits: 4,348

**Description:** Pic-Matic v1.0 is an easy-to-use and completely customizable photo slideshow with support for a variety of frame styles, 17 different special effects (transitions) and the ability to cycle through the photos automatically with a single click. It includes a number of extra frame backgrounds and custom cursor support as well. Pic-Matic v1.0 provides an easy and convenient way to share your photo or image collection over the web.
