Visale - Perl and MySQL Sales Classifieds

Hits: 3,276

Description: Visale enables you to create a fast, secure and user-friendly online marketplace for buyers and sellers to find or provide special offers, online coupons, free trials, rebates and free gifts. All web pages are generated dynamically using your own settings, templates and themes. Browser based control panel enables you to create multi-level categories, customizable e-mail templates, unlimited products and services with pictures and descriptions, home pages, banners and logos, ratings, and has a lot of other unique features. You can get paid for memberships, listings, home pages, and advertisements/banners using PayPal IPN automatically.
