**Good Script Zero Support**, Feb 6th, 2007

Reviewed By: [greateststrategies.com](http://greateststrategies.com)

This is good looking script but if you have any questions or need support of any kind you will be out of luck. I tried the forums,(almost none of anyone elses posts answered), Email & Phone all with Zero results. I spent \$75.00 on this and I think I will end up out of luck :(
