SiteAwards

Hits: 712

Description: SiteAwards is an awesome program. This completely handles giving away website awards for you. The ability to allow people to apply for an award and the intuitive administration system make for an excellent combination. The script can be set to automatically mail people when they apply, are accepted, or declined. When accepted it sends your award image as an attachment. Admin has bility to accept or deny any application for your award.

Resource Specifications
