The Easy Affiliate (TEA)

Hits: 1,282

Description: The Easy Affiliate (TEA) is a quick and easy affiliate management program for your site. TEA was designed to be easy to install (even for beginners) and easy to use.

TEA features hit tracking; one-click affiliate payments via PayPal; simple affiliate sign up; a privacy statement; affiliate agreement; and more.

If you're looking for an inexpensive and easy way to start your own affiliate program, then TEA is right for you!

30 days of email technical support are included to help you get up and going. Just follow the simple instructions and you'll be running your own army of affiliates in no time.
