TopSite

Hits: 932

Description: Create your own top-list replicator with this straightforward script. Provides an unlimited number of lists and sites, automatic e-mailing to list and site owners for varying events, all html is generated based on templates allowing for complete control of the site's design, uses the MySQL database for bulletproof efficiency, and other countless bells and whistles to make this a must have script for generating that valued traffic. Script also allows for having "paid" members and allowing them more options, such as their own sponsor banners in the list, etc.
