# Percentage Calculator

Hits: 1,625

**Description:** This calculator will calculate percentages based on the numerical data entered. It has been designed so that you can copy, paste then bulk calculate the percentages in one go. A very practical script for people such as teachers.

## Resource Specifications

|                      |                                   |
|----------------------|-----------------------------------|
| <b>Version:</b>      | 1                                 |
| <b>Platform(s):</b>  | linux, windows, freebsd, osx, sun |
| <b>Date Added:</b>   | Mar 8th, 2006                     |
| <b>Last Updated:</b> | Apr 25th, 2006                    |
| <b>Author:</b>       | P. Carroll                        |
