# M8B Password Strength Analyser

Hits: 2,965

**Description:** This is a very good Password Strength Analyser for you to include on your own site if you so wish or you can just use if on ours. So don't worry about if your password is secure have it analysed today. If your password fails you will be given to option to use a Password Generator to make up to 50 passwords at once. The Password Strength Analyser will give you some good pointers and where your password fails and what to do about it.
