Vectorian Giotto

Hits: 964

Description: Quickly and easily create professional Flash animations for websites. Powerful vector drawing tools - freehand pen and brush, vector text, eraser, lasso and much more. Combine and manipulate text, images and shapes to create Flash movies. Animation is based on simple motion tween concept: use drawing tools to set start and end look of objects and Giotto does the rest by itself. No programming, no scripting. Complete animation in several minutes.
