WhoLinked

Hits: 785

Description: Your site's WhoLinked box shows other websites linking to yours. Totally new and fully customizable, this simple cut-and-paste javascript convinces your visitors you're serious - in one glance. WhoLinked queries the search engines for your links, then sends the results to your site's WhoLinked box for your visitors to see. Cool!

Reviews for WhoLinked

very cool, Apr 13th, 2006

Reviewed By: volleyboy

This is really neat. I am no JavaScript expert - all I had to do was copy and paste this code onto my web site and it works. Adds some really cool content to my web page.
