# Speedy Delivery

Hits: 853

**Description:** Want to deliver email messages to site visitors? You can trust Speedy Delivery. Visitors can subscribe and unsubscribe to your email list by visiting your web site. Speedy Delivery is self-administered, which means you don't have to worry about sending email to unwilling recipients. As the site administrator, you can send an email to site subscribers at any time, from any location, via your web browser. It's simple. It's fast.

It's easy to install and maintain. Main features include: Self-subscription, E-mail validation, Web-based administration, Message-based Recipient Selection, Banned list, Subscribe/Unsubscribe templates, and Footer templates.
