AffiliatesLLC - ClickBank Search And Syndication Engine

Hits: 2,168

Description: The AffiliatesLLC script is a ClickBank search engine script that will enrich your website with all the content from the ClickBank leading affiliate network. The AffiliatesLLC script is not one of its kind, there a lot of similar scripts around. We developed this script because we were unable to find any script that implements automated installation procedures, templating capabilities and RSS content syndication. The AffiliatesLLC script has all the mentioned features in addition to all the standard features such as automated parsing and database maintainence.
