Fast, user friendly and affordable!, Jan 1st, 2007

Reviewed By: mixer

I have looked at virtually every web based dance software on the market and finally found dance studio manager. Very Fast, easy to use and the customer support is first class. I highly recommend this product to any dance, gymnastics, or cheer center.

Simplifies roll sheets, billing (weeks and/or sessions), lessons, attendance, invoicing...

A+ in my book!
