SafeMerchant Payment Gateway

Hits: 4,701

Description: Using SafeMerchant's PCI Compliant Gateway and Merchant Processing, merchants are assured their credit card transactions are safe. SafeMerchant supports all merchant account providers. Safe Merchant is compatible with all shopping carts and can be integrated into a Windows or Linux based website. The SafeMerchant Payment Page instantly alleviates your liability from PCI. Stop storing credit card information or other Private Information! Call SafeMerchant if you are storing credit card information today. SafeMerchant also provides inexpensive Internet Merchant Accounts to all businesses in the United States. Why pay more than necessary for your Internet Merchant Account?
