Estate Agents Software from Zebra

Hits: 3,246

Description: The Estate Agent software website allows home buyers and renters to browse available properties for free. The property Listings are detailed with property Features, photos, agent information and driving directions linked to Street map. Agents and home sellers can also list their properties for a fee. After a new estate agent or home sellers was registered, he/she is able to select and buy a package depending on how many offers they would like to post and for the length of time they would like to post them. Payment can be done via Worldpay, Paypal or Protx and registration is automated. This is a UK product, all postcodes are from the UK and prices are in UK pounds £, EURO
