HEAD-TAIL GAME MASTER

Hits: 3,030

Description: A chip-based head tail egold game. Unlike the head-tail game script commonly found on the net, our head-tail game doesn't require players to login to egold account again, again and again every time placing a bet. This is a free script. Please see the demo at <http://www.minigoldgame.com/sample/htdemo> before downloading.

Resource Specifications
