Absolutely free - no costs - powerful script, Aug 20th, 2006

Reviewed By: w9999w

Everybody who is interested in making money as an amazon affiliate, try this script! It's easy to implement and if you really need special customised features you get it for a small fee, but the basic script is already very powerful, easy to handle. I can clearly recommend this script as a fine EASY-TO-GO solution!
