## Free Smiley Sign Generator

Hits: 3,752

**Description:** This is a major update to the WenPigsFly.org smiley sign generator being illegally distributed at many forums. All new code!

Now features precise text wrapping, text color selection, font choice, revised (copyrighted)images, static links with save option and, generated codes for BBcode HTML and MySpace. You are free to "restyle" the index page and use this application on any site. Copyrights are embedded and must remain visible and may not be tampered with!

Read the terms before you install.
